

## Discussion Questions Week 2

### Key Scripture

“A good name is to be more desired than great wealth,  
Favor is better than silver and gold.”

- Proverbs 22:1 (NASB)

### Main Point

The reputation you build will determine how your name is remembered. The righteous are rewarded and remembered because they reflected the character of God.

### Start the conversation

Ask:

- Is there anything that people tend to remember about you?
- What’s something crazy or silly you’ve done that people love to remind you about?

### Encounter God Through Bible Study

Watch the recap of this weekend’s sermon

Ask:

- What stuck out to you from Pastor’s message this weekend?
- Pastor talked a lot about our reputations. Why does your reputation matter?
- What kind of reputation does Comcast have? How did they get that reputation?
- What kind of reputation does Apple have? Why do they have that reputation?
- What is your reputation reflecting? What are you reflecting to your family, friends, and co-workers?

## **Read Proverbs 22:1, Ecclesiastes 7:1**

- Why is a good name so valuable?
- What are some things that a good name enables you to receive?
- If your story were finished tomorrow, how would people remember you?
- How can you begin to build a name that reflects the character of God?
- What is one change you can make this week in order to better reflect the character of God?
- As a group, how can you become a construction site for good names?

## **Embrace Others in Biblical Community**

Take some time to build each other up. Speak great names over the members of your group. Ask God to help each member of your group to live out the name God has given them. Pray that your group will reflect the character of God this week.

## **Expand God's Kingdom**

Ask:

- Who do you know that needs this message? Discuss who you are going to share these truths with this week.
- Who could benefit from this alignment? Make a list of the people you are going to invite next week. Close your group by praying for boldness to invite others.
