

## Heart for the Harvest Week 1 - Discussion Guide

### **Connect**

**Ice Breaker:** What do you have an easier time being generous with: your time, your treasure, or your talents? Why?

#### **Talk About It:**

Heart for the Harvest is a season where we stop and reflect on what God has done and relaunch freshly into what God has called us to do as a church and as a movement that is called to win the world to Jesus.

Key Passages: Numbers 11:4-5, 13:30, John 10:10, 2 Corinthians 9:1-2

1. God sets the vision of His church but we get to set the speed of the vision. Does this statement excite you? Why or why not?
2. Read 2 Corinthians 9:1-2, regarding freewill offerings. Would your zeal to give stir up others?
3. Read John 10:10, has there been a time when you have been in the wilderness spiritually?
4. Read Numbers 13:30, do you have a Caleb in your life? Are you a Caleb to someone?
5. Do you doubt God could use you to make a difference in the lives of people around you?

### **Protect:**

Pray as a group that the enemy would not distract us from being generous in this Heart for the Harvest season!

### **Grow:**

This week, take time to pray and seek how God wants to you to be generous with your treasures in this season.
