

## Heart for the Harvest Week 2 - Discussion Guide

### **Connect**

**Ice Breaker:** Who is the most generous person you know? What makes them that way?

#### **Talk About It:**

Heart for the Harvest is a season where we stop and reflect on what God has done and relaunch freshly into what God has called us to do as a church and as a movement that is called to win the world to Jesus.

Key Passages: Zechariah 4:6, Isaiah 6:8

1. God sets the vision of His church but we get to set the speed of the vision. What can you do to help set the speed of the vision?
2. Who is someone you are praying for and wanting to share your faith with?
3. It is time for us to start acting and not asking, what is something God is ready for you to act on (praise Him for)?
4. Read Isaiah 6:8 and Zechariah 4:6, what is God calling you to have big faith in?
5. What promise of God do you have a hard time believing for yourself (God is always with you, God is always faithful, God has designed you for a purpose, God gives you power for your life, God will give you peace, God forgives all your sins, God will help you win your world)?
