

What's Your Tomb Week 4 -Discussion Guide

Connect

Ice Breaker: If you could witness any event from Holy Week, which one would you choose and why?

Talk About It: Make room for God to transform your head (praise), heart (repentance), and hands (Communion and commission) because it is not something that can be done on your own, but it is something you have to give Jesus control over.

Key Passages: Zechariah 9:9, Luke 3:34, 15:7, 22:20, Acts 1:8, Psalm 139:7-10

1. Are you overwhelmed at the thought or sight of your Savior?
2. Read Luke 15:7- how does understanding the joy in heaven over one sinner who repents shape our view of God's heart for us and others?
3. Reflecting on the transformation of head, heart, and hands through praise, repentance, communion, and commission, which area do you feel God is calling you to focus on more?
4. Read Acts 1:8- how does the promise of the Holy Spirit's power equip you to win your world in your "Jerusalem, Judea, and Samaria, and to the ends of the earth?"
5. How can we practically stand for Jesus in our daily lives and communities?

Protect

As a group, pray for the courage and boldness to stand for Jesus in our daily lives, reflecting on His ultimate sacrifice and asking for opportunities to share His love and truth with those around us.
