

Walls into Windows Week 1 -Discussion Guide

Connect

Ice Breaker: Everyone share a word that describes the Holy Spirit to you and who He is in your life.

Talk About It: We all have relationships, we all need relationships but the world puts walls where God meant there to be windows.

Key Passages: John 16:7, Acts 1:4-5, 8, Mark 9:33-35

1. In your opinion, what would the world think about Christ if Christians thought more about others than themselves?
2. Considering the analogy of driving a car with no gas or roasting a marshmallow without fire, how does the absence of the Holy Spirit in our lives affect our ability to live out our call as Christ followers?
3. In light of the disciples' argument about who was the greatest (Mark 9:33-34), how does humility play a critical role in our relationships and spiritual growth, and why is it often so challenging to maintain?
4. How does shifting our focus from 'ME' to 'HE' (the Holy Spirit) in our daily lives challenge the natural human inclination towards pride and self-centeredness, and what impact can this shift have on our relationships and ministry?
5. In what ways does understanding and embracing the role of the Holy Spirit transform our daily walk with Christ and our effectiveness in winning our world?
